Chairperson's Address

Good evening, one and all,
On behalf of Kilmacud Musical Society, I extend a warm welcome to each of you. Tonight, we gather not only to celebrate the magic of theatre but to unveil something special — an original script, written by one of our members and brought to life by the incredible talent within our society. To our cherished patrons and friends of KMS and to you, our audience, your unwavering support keeps the heart of this society beating. Sincere thanks to the wonderful staff of the Mill Theatre for always making us feel so at home here. Congratulations and thank you to our brilliant production team whose dedication has made this dream a reality. It makes me very proud to say that this show is written, directed and choreographed by our very talented members. My heartfelt thanks to our committee for their steadfast support. Your leadership, organisational skills, and passion have been the guiding force behind the scenes. I am grateful to each one of you. I couldn't be prouder of all our society's members who have poured their souls into getting this production ready for the stage. Their passion and commitment are truly inspiring. So sit back, relax, and let us take you on a journey Behind the Curtain.

Here's to a fantastic show! Alison

A Note from Our Director

Welcome to our show!
I'm thrilled to give you a glimpse behind the curtain into the wonderful world of amateur musical societies. Being part of this community theatre group is truly special to me — it's where I've watched people of all ages and backgrounds come together and become family. Having the opportunity to write and direct a show that celebrates our community has been a real privilege that I'm deeply grateful for. My heartfelt thanks to the production team, especially Jackie and Sarah from the committee, for their unwavering support. To the incredible cast who brought such passion and dedication, you've exceeded every expectation and made this show even better than I imagined. Finally, to my pillars of support: my understanding husband, my parents and my little choreographers, Arlen and Neala — your dance tips made the show! I'll be back in the playground this Sunday.

Enjoy the show! Sarah
